3. Why you should exhibit in Russia ?

Russia has become an increasingly attractive market for Indian Apparel. Key items of export likely to appeal to Russia include men's, women's and children's jerseys, pullovers, cardigans, waistcoats and similar cotton knitted or crocheted articles; trousers, overalls, breeches and shorts in cotton and synthetic fibres; T-shirts, shirts, singlets and other vests of textile material.

Imports of ready-made garments (RMG) into Russia have remained substantial over recent years. In 2024, knitted RMG accounted for 53.6% of Russia's total RMG imports, with woven garments making up the remaining 46.4%. Meanwhile, India's exports of garments to Russia increased from about USD 57.5 million in 2020 to USD 101.5 million in 2024 – nearly doubling over five years.

At a category level, knitted RMG holds much stronger acceptance in Russia compared to woven apparel.
