SUB: Webinar on “Prospects of growth for apparel exports in upcoming FTA markets”

Dear Members,

India is negotiating FTA with UK as well as EU. Both of these are major export destinations for the Indian apparel. Germany the biggest market in EU is already facing recession. In this context, it is necessary to understand the current status of Indian apparel exports to UK and Germany in terms of important product segments, key competitors, non-tariff barriers etc. It is also important to know about the growth prospects in specific categories, particularly with the possibility of Indo-UK and Indo-EU FTA finalization.

AEPC in collaboration with Wazir Advisors Pvt. Ltd. & Symbiosis Institute of Management Studies (SIMS) is organizing a webinar on “Prospects of Growth for apparel exports in upcoming FTA Markets”.

The webinar will highlight/discuss the following:-

1. EU, UK and German market issues and apparel export from India.
2. What are practical challenges to increase India’s apparel exports to the EU, UK and Germany?
3. Important product categories, key competitors, duty rates, non-tariff barriers.
